Re: WT Docket No. 02-55  
*Ex Parte Presentation*

Dear Mr. Wilhelm:

As a follow up to our *ex parte* meeting of May 23, 2003, you requested information on Nextel's license holding subsidiaries. Attached to this letter is a list of all Nextel licensing subsidiaries that hold 700 MHz, 800 MHz or 900 MHz licenses. This letter confirms that in the context of the ongoing realignment proceeding in WT Docket 02-55, Nextel Communications, Inc. ("Nextel") includes *all* of the attached list of wholly-owned license holding subsidiaries.

You also requested information on the commitment of Nextel Partners, Inc. to the Consensus Plan. On February 10, 2003, Nextel and Nextel Partners, Inc. filed joint comments in this proceeding. At pages 3-4, the parties stated:

Nextel Partners is a publicly-traded, 800 MHz licensee affiliated with Nextel and serving over 800,000 subscribers in medium and smaller markets. This joint filing demonstrates Nextel Partners' commitment to participate in the system relocations, license swaps and associated actions and procedures involving its 800 MHz licenses necessary to effectuate the Consensus Plan for 800 MHz realignment. Accordingly, Nextel and Nextel Partners urge the Commission to expeditiously adopt the Consensus Plan in its entirety, and take this opportunity to emphasize several elements of the Consensus Plan and address issues raised by various parties in this proceeding.
